Mr. Adam Niemczyk  
Stowarzyszenie Polskich Specjalistow Bombowych  
Association of Polish Bomb Specialists

Dear Mr. Niemczyk

It is with great pride and honor that International Association of Bomb Technicians and Investigators (IABTI) receive the Piotr Molak Grand Award from the Association of Polish Bomb Specialists (SPSB).

This prestigious recognition is accepted with immense appreciation.

We (IABTI) find it extremely encouraging to know that IABTI is succeeding in its global mission to provide relevant and up-to-date information that can aide in the safety and success of our partners around the world.

We look forward to a continued relationship and working together in cooperation related to matters of mutual concern.

Sincerely,

Wally Meeks  
International Director
